

Number 1

“On December 31, 2011, at the exit side of the border crossing point Batrovci, the customs officers prevented six Afghan citizens to cross the border illegally. Owing to the use of the latest mobile scanners, it was noted that in a truck with Turkish registration plates there were human beings. The aforesaid truck transported textile goods on the route Turkey – Germany – the Netherlands.”

Republic of Serbia, Ministry of Finance’s website
